F&B sector and the public

Event Introduction

Are you searching for a lifestyle that can have a positive impact on both health and the environment? This seminar will feature distinguished representatives from the food and beverage (F&B) industry, help you understand how food choices can support local agriculture and make the planet greener.

In today's fast-paced lives, adopting a sustainable dietary habit is crucial. Let us gain practical knowledge on making thoughtful choices, reducing food waste and incorporating eco-friendly practices into daily life.

✨ Join our seminar and unlock the secrets to a healthier you and a greener planet! ✨

Biography of Speakers

Mr David YEUNG

Co-Founder & CEO , Green Monday

David Yeung is the co-founder & CEO of Green Monday and OmniFoods, a leading ESG movement and foodtech innovation company. His work earned him the award of “EY Entrepreneur of the Year Award (HK/Macau)” by Ernst & Young, “Social Entrepreneur of the Year” by the World Economic Forum and Schwab Foundation. Other awards and accolades include “Roddenberry Prize” and “Ten Outstanding Young Persons Hong Kong”. He is a graduate of Columbia University and an Ashoka Fellow.

Mr Lai Kin Ming, Mickey, JP

Director of Agriculture, Fisheries and Conservation

Under the leadership of Mr. LAI, the Agriculture, Fisheries and Conservation Department is committed to facilitating production and sustainable development of Hong Kong’s agriculture and fisheries industries; managing government fresh food wholesale markets; conserving flora, fauna and natural habitats; managing country parks, the geopark, special areas, marine parks and the marine reserve; protecting endangered species; promoting animal welfare; and controlling animal and plant diseases.

Dr LAU Kin Wai, Eric, MH

Chairperson of Organizing Committee, Hong Kong Farmfest

Dr Eric Kin Wai Lau earned his BA and PhD at the City University of Hong Kong. He teaches in different Universities for more than 25 years at BBA, MBA, EMBA and DBA levels. His research areas include knowledge management, social media marketing, and software piracy. He is the pioneer in Hong Kong e-business and published the e-business book in 1998. Dr Lau engages in several government committees, such as the Chairman, Crop Farming Sub-committee Advisory Committee on Agriculture and Fisheries ACAF, Telecommunications Users and Consumers Advisory Committee - Office of the Communications Authority, Member of the panel of adjudicators of the Obscene Articles Tribunal (2010-2019). He hosts Hong Kong Farmfest as the chairperson of organizing committee (2018 to present).

In 2022, Dr Lau awarded MH from HK SAR Government in recognition of his contributions to the sustainable development of the agricultural and fisheries industry, particularly in the enhancement of the marketing knowledge and skills of local farmers and fishermen.

Ms Suzanne Cheung

Head of Public Affairs, Communications and Sustainability, Swire Coca-Cola HK

Suzanne Cheung is a highly experienced sustainability professional, with over 14 years in senior positions across different industries. As the Head of Public Affairs, Communications and Sustainability at Swire Coca-Cola HK, Suzanne is responsible for leading the implementation of the 2030 Sustainable Development Strategy, which encompasses sustainability strategies and plans for 'Planet', 'Product' and 'People'.

Suzanne serves as Board of Examiners member for the Hong Kong Sustainability Awards and Membership Committee member for the Hong Kong Institute of Qualified Environmental Professionals. She is often invited to lead industry discussions on sustainability-related policies.

Ms Joe CHEUNG

Senior Manager, Conservation Advocacy Ocean Park

Joe is currently the Senior Manager of Conservation Advocacy at Ocean Park. She leads an advocacy campaign called Mission R, which aims to motivating individuals to adopt environmentally conscious lifestyles through easy tiny changes in daily life, ultimately leading to a better environment and fostering a healthier bond between human and nature. Under Mission R’s umbrella, she also initiated the signature campaign called Eat Local, which aims to inspiring community collaboration and encouraging corporations and individuals in choosing local produce for a low-carbon and healthy diet.

Joe’s journey with Ocean Park began in 2008 as Education Officer for the Ocean Park Conservation Foundation, Hong Kong (OPCFHK). Her academic background includes a Master of Social Sciences in Psychology and a Bachelor of Science in Marine Science, which provide her with a strong foundation for her work. Beyond her professional pursuits, Joe is also a Life Coach, a butterfly surveyor and a caretaker of two senior cats.
