for Chinese and English
Subtitles)

All stakeholders in the
Hong Kong Knitwear
Industry

With funding from the “Trade and Industrial Organisation Support Fund” of the HKSAR Government, and HKPC as the implementation agent, Hong Kong Woollen & Synthetic Knitting Manufacturers’ Association (HKWSKMA) has launched a project titled “Empowering the knitwear industry for carbon neutrality: case studies and carbon footprint assessment tool development” to help knitwear enterprises address the challenges arising from global environmental concerns by developing an industry-specific carbon footprint assessment tool and identifying possible areas to reduce carbon emissions through a study. This project includes a study report, a guidebook, a product carbon footprint assessment tool and a series of seminars.

This upcoming seminar will:

- Introduce the Product Carbon Footprint Assessment Tool for knitwear Industry to systematically conduct carbon assessments and develop tailored reduction strategies.
- Explain carbon assessment methodologies specific to the knitwear industry and learn how to effectively utilise the new tool.
- Share China’s latest progress on carbon neutrality in the knitwear industry, offering a more complete policy overview.
- Provide a live demonstration of the product carbon footprint assessment tool. Participants are encouraged to **bring their laptops** to follow along the presenter's step-by-step guidance and gain hands-on experience.

Please register now to know more information and discover new business opportunities!

Agenda

Time	Programme	Speaker
14:00 – 14:10	Welcome Speech	Mr Roger Chan Chairman HKWSKMA
14:10 – 14:40	Advancing Digital Product Passports: Exploration and Implementation in China's Textile and Apparel Industry	Ms Lirong SUN Head of LCA Research, Office for Social Responsibility, China National Textile and Apparel Council (CNTAC)
14:40 – 15:10	Introduction of the Product Carbon Footprint Assessment Tool for Knitwear Industry and its Importance to the Industry	Ms Michelle Lee Senior Consultant (Energy Management and Innovation) HKPC
15:10 – 15:25	Break & Networking Session	/
15:25 – 16:30	Demonstration on How to Calculate Product Carbon Footprint	Ms Michelle Lee Senior Consultant (Energy Management and Innovation) HKPC
16:30 – 17:00	Panel Discussion & Q&A Session	All speakers
