Central

Cantonese

SMEs in fashion and
textile industry

With funding from the “Trade and Industrial Organisation Support Fund” of the HKSAR Government, and the Hong Kong Productivity Council as the implementation agent, the Institute of International Sustainable Development Limited will present the 2nd Training Seminar, focusing on how to effectively manage surplus products and introducing the latest practices in circular economy and recycling strategies. This seminar will equip participants with practical knowledge and actionable strategies to help their businesses seize sustainability opportunities, improve resource efficiency, reduce waste and costs, and engage in meaningful dialogue with industry experts to boost the green transformation of the fashion and textile industry
