Mission Tour Introduction

The Hong Kong Productivity Council, in collaboration with Bank of China (Hong Kong), is co-hosting the GBA Live Serious : InnoPreneur Network MeetUp in Huizhou, to explore innovative insights for enhancing business growth!

The 2D1N tour will take you on visits of key industries to understand the utilisation of smart innovations. Experts will provide insights of the benefits that New Productive Forces brings to all sectors of SMEs. You will also exchange with officials from the Hi-tech Industrial Development Zone and local company leaders. Register now!

Hong Kong Productivity Council is launching the "New Productive Force Talent Training Program" to cultivate more innovative talents and entrepreneurs with new skills and mindsets, promoting the development of Hong Kong's New Productive Forces. The program includes vLearn online training courses, a "New Productive Force Certificate" course, a "New Productive Force Senior Leaders Mission Tour," and a "New Productive Force" Career Expo, allowing the public to experience the positive impact from the New Productive Forces across various sectors, leading Hong Kong towards high-quality development.
