

Tableau for BI Analytics Solutions (TB101)

CONNECTION 裝備未來
TECHNOLOGY
FUTURE SKILLS

Course Fee: HK\$3,000 (May apply up to HK\$2,000 subsidy)

*Maximum saving, with the final grant subjects to approval.

If you had qualified data on hand, how can your management consume the data effectively for getting the business insight from it? The answer is a professional BI solution. That is a solution which enables management to visualise data with a management dashboard that responds interactively with dynamic analysis, effective filters and drill-down functions.

All of these functions are covered in this course of Tableau which starts from the basic techniques to a professional solution.

Programme code	10013186
Duration and time	1 day 9:30-17:00
Venue	1/F, HKPC Building, 78 Tat Chee Avenue, Kowloon Tong

Bring Your Own Device (BYOD) Requirement	Windows 10 with minimum 2 GB RAM, 20 GB hard disk and menu display in English. Microsoft 365 Excel is required.

Trainer Information

Mr **Danny CHAN** possesses rich project experience in information and data technologies for over 20 years in various industries, such as F&B, Retail, Supply Chain and Logistics, and Finance. Being a practitioner, he is now working as a corporate consultant and technology trainer, specialising in developing BI solutions with data automation. Mr CHAN has been teaching a broad spectrum of emerging technology courses with various local educational institutions since 2018, focusing on data analytics and visualisation with Tableau and Power BI. He is a certified partner consultant with Tableau.

RTTP Training Grant Application

Companies should submit their RTTP training grant application for their employee(s) via <https://rttp.vtc.edu.hk/rttp/login> at least two weeks before course commencement. Alternatively, [application form](#) could be submitted by email to rttp@vtc.edu.hk along with supporting documents.

This course is an approved Reindustrialisation and Technology Training Programme (RTTP), which offers up to 2/3 course fee reimbursement upon successful applications. For details: <https://rttp.vtc.edu.hk>.
