

Study mission on Smart Manufacturing, E-commerce and Green Logistics to Ningbo and Hangzhou

10 – 13 December, 2024

Join us on a business exploration of Ningbo and Hangzhou, focusing on **Smart Manufacturing, E-commerce, and Green Logistics**. Our delegation will visit local enterprises to learn about their advanced e-commerce development, innovative technologies, and key competitive edges.

A **high-level business sharing session** has been planned to expand your network, engage in in-depth discussions with industry leaders, explore cooperation opportunities, and gain a deeper understanding of the commercial advantages of these dynamic cities.

Don't miss this opportunity to embark on a journey of business expansion with us!
