30 May 2025
15:00 – 17:00

Conference hall, 27/F,
CMA Building,
Connaught Road
Central, Hong Kong

Cantonese

SMEs in fashion and
textile industry

With funding from the “Trade and Industrial Organisation Support Fund” of the HKSAR Government, and HKPC as the implementation agent, Institute of International Sustainable Development Limited (ISD) will organise a series of training seminars in order to provide information of market available technologies and solutions and upgrade the awareness of the industry for sustainability transition and major trends, particularly for major sustainability topics for the industry, including handling surplus products, design and manufacturing and selection of materials.

The 1st training seminar will be organised on 30 May 2025 and cover the topics of green manufacturing.
