在香港特別行政區政府工業貿易署「工商機構支援基金」撥款資助下, 香港塑膠業廠商會將於2025 國際橡塑展設立「香港館」。該項目致力推廣香港塑膠材料及部件製造商生產及應用先進塑膠材料的能力至內地。

多種先進塑膠原料及部件將在「香港館」展示, 以突顯香港塑膠業製造商的創新能力及成就。「香港館」亦是行業參與者交流想法、探索商機的重要平台, 最終協助香港塑膠行業在全球市場蓬勃發展。

Funded by the Trade and Industrial Organisation Support Fund of the Trade and Industry Department, HKSAR Government, the Hong Kong Plastics Manufacturers Association will set up a "Hong Kong Pavilion" at the Chinaplas 2025. The project aims to promote the capabilities of Hong Kong plastic material and plastic part manufacturers in the production and application of advanced plastic materials in the Mainland.

The "Hong Kong Pavilion" will showcase a variety of advanced plastic materials and parts, highlighting the innovative capabilities and achievements of Hong Kong plastic manufacturers. The "Hong Kong Pavilion" also serves as an important platform for industry practitioners to exchange ideas and explore business opportunities, helping the Hong Kong plastics industry to thrive in the global market.
